

New Luce Community Trust Newsletter

Autumn Edition 2024

Broadband Grants Scheme

As part of our new Community Action Plan we pledged to enhance the broadband provision for households who do not receive a good broadband service, and require a satellite system. (Cannot reach speeds of 25Mbps or under)

We have set up a grants scheme where households can apply for a grant towards the installation costs of a satellite system. **(conditions and criteria apply)**

For more information or an application form please contact Sharon on: Sharon@newlucect.org

or telephone: 07442 576 220

September 2024

In This Issue

- Broadband Grants
- Parking Update
- Electric Charging Points
- Kenmuir Arms Loyalty Card Scheme
- Winter Fuel Applications 2024/25
- Apple Pressing Day
- Community Council—New Project being launched

Electric Charging Points

The Memorial Hall are in the process of having 2 EV chargers installed at the side of the hall, which will provide charging points for electric cars.

There will also be work carried out in this area to mark designated parking spaces for vehicles.

Parking Update

Another key priority on our Community Action Plan was to look at the current parking provision in the village and assess if this could be improved, and/or if additional parking spaces were required.

Over the last few months we have had a survey carried out around various areas in the village to see if any of these would be suitable for additional parking, along with working alongside the roads department of D&G Council for advice and support on this subject.

At present there is additional parking available at the Memorial Hall for anyone to use.

Kenmuir Arms

A new loyalty card scheme for the community has been launched by Chris and his team.

Each household will receive a loyalty card which will allow them to get discounts on food and drinks (**terms and conditions apply**)

New Luce Apple pressing

Sat 5 Oct 11-3

New Luce Memorial Hall
Main Street, DG8 0AJ

Prize! Be a winner with the longest apple peel

Bring your own apples for pressing and containers for the juice

Swaps! - bring along anything you don't need any more
and hopefully swap it for something you'd like
Excess Produce - Books - Toys - etc

refreshments available for £ donation

Be part of an exciting new project

New Luce Community Council are about to embark on an exciting new project, working with UrbanCroft films to create a short film about the past and present of New Luce—Do you have any old stories that you could share, or would you like to be part of the group taking this forward?

Contact: newlucecommunitycouncil@gmail.com, or contact Marie Ferguson for more details.

Winter Fuel 2024/25

Application forms for the Winter Fuel Scheme have been sent out alongside this newsletter. Payments for the scheme will be made in December of this year.

Please ensure your completed application form is returned by the closing date of 30th November 2024.

Wheelie Bins @ Hall

Can everyone please be reminded that the large wheelie bins at the side of the village hall are for the use of properties that do not have regular wheelie bins at their homes.

Please do not use these as an overflow for your waste, these are specifically for homes that do not get a collection from their homes.

New Luce Community Trust Company Membership

New Luce Community Trust needs as many people as possible to have a say in the running of the Company. You can do this by becoming a Member .

It costs nothing to join!
