Electric Charging Points

Have now been installed and are fully operational.

These are situated to the side of the Memorial Hall, they use widely recognised charge cards by tapping the card, alternatively you can download the Scottish Power Re-Charge App to set up an account.

The tariff is 45p per kwh

New Luce Community Trust

NEWSLETTER SPRING 2025

The Kenmuir Arms

New Luce Community Trust purchased and renovated the Kenmuir Arms in the village as part of their community action plan. For the last 2 years Chris Dougan has leased the property, this was through a robust tendering process. This is an independent business run as its own entity. The Trust charge a annual rent for the tenancy.

The Trust and Chris have a good working relationship, and we support this community business in as many ways as we can, however it is not our business and the running and financial management of it belongs to Chris.

Please support this local community business to ensure its viability, and most importantly having the facility open

VE CELEBRATION EVENT 2025 Sunday 11th May
